The Washington Traumatic Brain Injury (TBI) Resource Center at BIAWA

The **Brain Injury Alliance of Washington** (BIAWA) offers 1:1 direct support throughout WA for individuals with Brain Injury, caregivers and loved ones. The WA TBI Resource Center is a significant part of this.

BIAWA will help you...

- Navigate the medical system.
- Apply for Social Security.
- Return to work/school.
- Access legal aid.
- Build a supportive community.
- Help family & friends understand Brain Injury.

...we are here to help!

All services provided are free of charge.

Our **Resource Line** is available

- 9AM - 5PM, M- F.
- To answer calls from survivors, family members, practitioners, educators and anyone involved with Brain Injury.
- To assist callers as they navigate life with Brain Injury.

Contact Us

- If you or someone you know is in need of support.
- If you have questions about our services.
- If you have questions about Brain Injury.

Resource Management is

- Over-the-phone or in-person.
- Connecting people to resources and support in their communities.
- Working toward personal goals.
- Improving the quality of life for persons with Brain Injury by assisting them, their families and loved ones to fill in the gaps of needed services.

Pediatric Resource Management

- Supports children, youth and their families with reintegration into home communities.
- Is available during inpatient care and following discharge.
- Manages resources that meet the needs of children and youth while enhancing the caregiving capabilities of families.
